

## **Cloning Will Quickly Become The Heart & Soul Of The New World Order!**

NEWS BRIEF: "Special Report On Cloning", Charles Krauthammer, Time Magazine, March 10, 1997, Vol. 149, No. 10, Pages 60-61.

"One doesn't expect Dr. Frankenstein to show up in wool sweater, baggy parka, soft British accent and the face of a bank clerk. But there, in all banal benignity he was: Dr. Ian Wilmut, the first man to create fully formed life from adult body parts since Mary Shelley's mad scientist. The creator wore chinos. Wilmut may not look the part, but he plays it. He took a cell nucleus from a six-year-old ewe, fashioned from it a perfect twin -- adding the nice Frankenstein touch of passing an electric charge through the composite cell to get it growing -- and called it Dolly. Dolly, the clone, is an epochal -- a cataclysmic -- creature. Not because of the technology that produced it. Transferring nuclei has been done a hundred times. But because of the science. Dolly is living proof that an adult cell can *revert to embryonic stage* and produce a full new being. This was not supposed to happen." [Page 60]

Public reaction to this news was at once shocking and revealing. According to a TV poll, released March 7, 51% of the adults surveyed thought that the technology should be destroyed, while only 10% were so crass as to say that they would pursue this technology to the human application if there was profit to be realized. Americans seem to sense, deep within their souls, that this cloning technology possessed such potential for evil that they were very, very troubled. Indeed, the technique of cloning raises the specter of man re-creating humans with precisely the characteristics that the predominate culture at the time desires. When you couple this re-creation with the new, low view of man as simply an advanced animal, you have the specter of Eugenics being run by an Adolf Hitler!! This science promises political power to the man who can first successfully use it, and since we know that "absolute power corrupts absolutely", we know there is no man with whom we can trust with this technology. Since we know that all men and women are inherently, desperately evil [Jeremiah 17:9], we know that an Adolf Hitler can arise at any time to take control of any technology the world has created.

Since the coming New World Order is Nazism to its core, we need to look very carefully at this cloning technology from this perspective. In future articles, we will touch on the areas that other authors will expound upon, i.e., the ethics involved, but we want to go immediately to the New World Order *implications*. These are the implications that are truly critical to understand, for they will drive all other implications.

We will discuss this most traumatic event from two (2) major tenants in this article and the next article, [NEWS1062](#), will discuss the next step in the development of this story, i.e., changing people's attitudes toward cloning using the technique of the *Six-Step Attitudinal Change Plan*.

### **The two major tenants in this article will be:**

- 1) Biblical Doctrine
- 2) Biblical Prophecy about Antichrist's kingdom

First, let us look at Cloning from a doctrinal Biblical perspective. I am not about to suggest that the Bible has anything to say specifically about Cloning; what I am about to share with you, however, may be almost as explosive! Most of the necessary changes in Western culture that have been needed to prepare the population for the appearance of Antichrist could not have occurred without the gradual moving away from Biblical Truth and knowledge. Today, most people are so Biblically illiterate that they would not recognize Satan if he grabbed them by the throat on a public street! And, believe me, Satan does have the peoples of the world by the throat, and no one will understand this fact, even when the death toll begins to mount!!

The first thing we must understand about this story of the cloning of the sheep is that *Satan is in charge here*. I am not saying that Dr. Wilmut, or any of his staff, are Satan worshippers, for I have no evidence to suggest that this might be the case. However, I do know that Satan is controlling events here, working through men who are not saved, to achieve his goals. The picture which portrays this reality is of a master marionette pulling on the strings, sometimes gently and sometimes roughly, to make the puppets [humans] perform as he wishes.

Let us examine the Biblical doctrine which teaches us that Satan is manipulating events on his planet, Earth.

Job 1:6-7, " Now there was a day when the sons of God came to present themselves before the LORD, and Satan came also among them. And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it."

Read carefully what Satan told God he was doing just before being "presenting himself" before God. Satan told God he was "going to and fro in the earth, and walking up and down in it"! We all think of this Earth as a pretty big planet, and we certainly have some degree of difficulty in getting around in it. But, Satan looks upon the Earth as a very small planet, one that he gets around easily and with a cavalier attitude. Satan must view the Earth as we would view our garden plot. When the owner of a small garden plot wants to survey his handiwork, he "goes to and fro" in it, and walks "up and down in it". The owner is in complete control of his tiny garden plot. This is the picture of Satan controlling this Earth.

Do not be deceived at this point: Satan is the Lord of this world. Jesus said of Satan, "Now is the judgment of this world: now shall the prince of this world be cast out." [John 12:31] Jesus called Satan the "prince of this world".

Then, in Ephesians 2:2, Paul says, "Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience ..." Paul called Satan the "prince of the power of the air". Thus, Satan is pictured here as controlling the Earth and the air around the Earth. Therefore, it is highly significant that Jesus Christ will return to the air of the Earth to call His believers home in the Rapture, because He will be invading Satan's territory!! Is this what Jesus had in mind when He said, "Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house." {Matthew 12:29} Certainly, Jesus will bind Satan at the time of the Rapture and "spoil his house"!

Finally, we see Satan's control of the world in Matthew 4:8-9, where he tempted Jesus Christ three times to sin. One of these temptations shows Satan's knowledge that he controls this world, and Jesus' tacit acceptance of this fact. "Again, the devil taketh him up into an exceeding high mountain, and showeth him all the kingdoms of the world, and the glory of them; And saith unto him, All these things will I give thee, if thou wilt fall down and worship me." [Parallel passage in Luke 4:5]

Satan controls this Earth, during this time period, and most of the people in it. Most people are not active Satan worshippers, but they either worship false religions which Satan has created to draw men away from God's Truth, or they subscribe to Satan's values of lust, greed, hatred, love of self, and love of material things. Finally, Satan controls both the leaders of this world [Revelation 16:13-14] and the events of this world [although both types of "control" are, in turn, controlled by God's prophecies [Revelation 17:17]]. Satan can do anything he wants to do on this Earth, unless God specifically intervenes to stop him! Do not ever forget this doctrinal Biblical fact.

Satan is acting as the master marionette, pulling the necessary strings on the necessary people on Earth to achieve the Kingdom of Antichrist. Certainly, the Kingdom of Antichrist is greatly enhanced by the development of Cloning. We should not be surprised that this development comes at just the same time as many other indicators are flashing a warning that Antichrist may be very close to staging his appearance.

Cloning accomplishes the following objectives for Antichrist (This is not a master list, but one which readily comes to mind):

1) Satan has always wanted to be like God, and so he must come as close as he can to being a Creator of Life. In Isaiah 14:13-14, God describes Satan's desire to be just like God. "For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God ... I will ascend above the heights of the clouds; I will be like the most High." This is the attitude which led to Satan's rebellion against God before God created the universe as we know it today, and it is the rebellious attitude Satan and his followers have today. The New World Order is nothing more, nor less, than the final exhibition of this rebellious spirit. Certainly, Cloning gives the appearance of creating life. Even though these scientists did not "create" life out of no life, they did create a new type of "procreation". At the bottom line, a new form of "procreation" was originated. But, scientists started with an alive cell. Still, most of the people can be convinced that man "created life". Charles Krauthammer stated this very lie in his article, above. Therefore, wicked man will have yet another false reason to disbelieve in the God of the Bible, and His judgment.

2) Satan is setting the stage where people will be *most enthralled* by the powers and the abilities of Antichrist. Since many Bible commentators have long lamented the fact that people seem to be worshipping Modern Science rather than the God of the Bible, we should not be too surprised that Modern Science has elevated man almost to the point of being Creator. Remember, the Kingdom of Antichrist is simply the elevation of man to the pinnacle of worship. Antichrist will present himself as the ultimate man, with ultimate wisdom, and ultimate power. The religion of Antichrist will be the New Age religion, which is self-worship.

Consider these prophecies concerning the seemingly "supernatural" powers of the Antichrist during his reign on the Earth.

(a) Matthew 24:24, "For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect." In other words, the era of Antichrist shall be unprecedented deception!

(b) 2 Thessalonians 2:9-11, "Even him, whose coming is after the working of Satan with *all power* and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie." Notice the words of strength in this passage. "*All power and signs and lying wonders*". The forces of Antichrist will deceive the unsaved on the Earth because he exercises this deception with "*all deceivableness of unrighteousness*". Then, we see that God sends a "strong delusion" on those of the Kingdom of Antichrist, who rejected the Truth of the Bible that they might be saved.

The context of this passage is the Kingdom of Antichrist and the struggle Satan is waging to get him revealed. Of course, Satan works through men to achieve his goals, so we should expect his battle to get Antichrist revealed would be waged through human followers. The New Age follows this scenario precisely. I believe that, when Antichrist is revealed, God will send a strong delusion upon all New Agers who are now doing everything in their power to "meditate" The Christ [Antichrist] into power. I do not believe this passage means that no one who heard the Gospel, but rejected it, will receive this "strong delusion" so they cannot be saved. The context is wrong for this interpretation.

But, the true meaning is powerful enough. Working through Antichrist, Satan will deceive the world mightily, with all power, lying wonders and signs, and "all deceivableness of unrighteousness". What can this possibly mean? It means that people who have already rejected God and His Word and His Son, Jesus Christ, will be given more

deception by Satan to further believe the lie. Most people believe in the theory of Evolution because they want to believe it. They want to believe that there is no Sovereign God Who will call them to judgment for their actions, thoughts, beliefs and motives. As God lamented over the Israel that was about to be destroyed in judgment, "... this is a rebellious people, lying children, children that will not hear the law of the LORD: Which say to the seers, 'See not'; and to the prophets, 'Prophecy not unto us right things, speak unto us smooth things, prophecy deceits: Get you out of the way, turn aside out of the path, cause the Holy One of Israel to cease from before us.'" [Isaiah 30:9-11] Can't you hear the American people saying this today? "Stop preaching the Bible to us; speak to us smooth and comforting words [even though they are lies]. Tell us we are inherently good; tell us there is no such thing as sin, or a God. Cease holding Jesus Christ up before us". Isn't this what we are hearing today? The world hates us Fundamentalist, Bible-believing Christians with furious hatred, because we refuse to lie to them, refuse to speak smooth things to their ears. They do not realize it, but the sound in their ears is God's approaching judgment.

Well, they will now have the argument of Cloning on their side, to argue that man can now "create" life, without a God!! These people will be further encouraged to disbelieve in God, in the Biblical Creation story, and in the Truth of God's Gospel. I believe it likely that Cloning is setting the stage whereby Satan will be allowed to infuse his occultic, supernatural strength into the situation, possibly creating the scenario where people can actually believe that Antichrist is God. What does prophecy say? "Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, showing himself that he is God." [2 Thessalonians 2:4]. Antichrist might show himself to be God by "creating" life through cloning, or a derivative thereof!

Now, let us return to prophecies which describe Antichrist's ability to deceive people by his supposed miracles and powers.

(c) Revelation 13:13-14a, "And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast;" Satan will deceive the rebellious unsaved "by the means of those miracles which he had power to do". In the context of this verse, the person deceiving the people by signs and wonders is that partner in crime with Antichrist, the False Prophet.

(d) Revelation 13:2b-4, "And the beast which I saw ... the dragon gave him his power, and his seat, and great authority. And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast. And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, *Who is like unto the beast? who is able to make war with him?*" The Antichrist will somehow miraculously recover from a fatal head wound. As a result, the peoples of the world will be totally blown away by his supernatural authority and power. They will fall down and worship him as God. Then, just a few verses later, we see the ultimate extension of this reverence for the Antichrist, as these deluded people take the "Mark of the Beast" as a symbol of their spiritual loyalty. I do not know if Cloning will play a part in this final deception, but my heart of hearts tells me that it will have some bearing on it. At the very least, we are being given a glimpse of the tremendous, unprecedented ability of man in these Last Days of Time.

## **"THE REST OF THE STORY"**

This brings us to our final Biblical point. How is it that God could have allowed man to come into possession of this knowledge, and come into it at the very time in which the Antichrist is about to appear? Certainly, the majority of American people instinctively understand that Cloning gives unprecedented ability for unfathomable evil in the hands of a truly evil man. Why would God allow this to happen? To understand this principle, we need to turn to Bible prophecies that are very unique.

A unique phrase occurs only in the Book of Revelation, and once we understand this phrase, we will understand events like Cloning. This phrase occurs five (5) times in the Bible, all of them in Revelation, and four (4) of the five speak of the Kingdom of Antichrist. This phrase is, "*and power was given*".

Let us review these Scriptures.

(a) -- Rev 6:4 KJV -- And there went out another horse that was red: and *power was given* to him that sat thereon to take peace from the earth, and that they should kill one another: and there was given unto him a great sword. [*Political power*]

(b) -- Rev 6:8 KJV -- And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And *power was given* unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth. [*Political and Economic Power*]

(c) -- Rev 13:5 KJV -- And there was given unto him a mouth speaking great things and blasphemies; and *power was given* unto him to continue forty and two months. [*Spiritual Power*]

(d) -- Rev 13:7 KJV -- And it *was given* unto him to make war with the saints, and to overcome them: and *power was given* him over all kindreds, and tongues, and nations. [*Political and Spiritual Power*]

"Power was given" unto Antichrist, by God Himself, to accomplish all of God's prophetic words, and to demonstrate, for eternity, that man left to himself is incredibly evil just as the Bible states. At the White Throne Judgment, Jesus does not want anyone to say to Him, "If you would have just let us alone, we could have created Utopia on Earth". God is going to leave man alone for a maximum of 7 years, and will allow the results of those 7 years to stand for eternity as THE monument to man's inherent evil.

When we look at Strong's Dictionary definition of this word, "power" we complete our understanding. In the original Greek, this word, "power" was #1849, *exousia, ex-oo-see'-ah* ; from G1832 (in the sense of *ability*); *privilege*, i.e. (subj.) *force, capacity, competency, freedom*, or (obj.) *mastery* (magistrate, *superhuman, potentate, token of control*), delegated influence:--*authority, jurisdiction, liberty, power, right, strength*."

So, these Prophecies are saying that, at the Time of Antichrist, God will give him the "superhuman ability" to do many things that will enhance his kingdom and his absolute control over mankind. Now, let us look at Strong's Dictionary at the Greek meaning of the word, "given". This word is #1325. *didomi, did'-o-mee*; a prol. form of a prim. verb (which is used as an altern. in most of the tenses); to give:--*adventure, bestow, bring forth, commit, deliver (up), give, grant, hinder, make, minister, number, offer, have power, put, receive, set, smite (+ with the hand), strike (+ with the palm of the hand), suffer, take, utter, yield*."

Isn't it revealing that God used the Greek word which denotes delivering with violence? Smiting with the hand or striking with the palm of the hand certainly denotes violence. Yet, we should not be too surprised, because the Kingdom of Antichrist is foretold to be full of violence and bloodshed and unprecedented warfare, and genocide.

Therefore, the basic meaning of this phrase, "power was given" literally means that God will allow Antichrist the "*superhuman ability*" to deliver his kingdom to the inhabitants of the Earth with the greatest of violence possible. This certainly fits the Kingdom of Antichrist as foretold in Scriptural prophecy. I submit to you that this issue of Cloning delivers "superhuman ability" to do the greatest amount of violence, genocide and Eugenic engineering that mankind has ever imagined!!

Let us speak very briefly of Eugenics, of which Cloning will be the ultimate tool to accomplish. Eugenics is defined as "the study of hereditary improvement of the human race by controlled selective breeding". [The Tormont Webster's Illustrated Encyclopedic Dictionary]. We have already mentioned, above, the tremendous tool Cloning would have been in Adolf Hitler's hands. He could have scientifically created his "Super Race" of Germanic beings. And, once he started creating these Germanic Supermen, he could have created a number as large as he desired to create.

Of course, he first would have had to kill all the "undesirable" peoples to make room for his Germanic Supermen to live and to be comfortable! This is the crux of the matter: Eugenics always kills. Eugenics always kills those people who do not fit the description of the "perfect" human being that is under construction! In [NEWS1058](#), "Death Marches On In The Netherlands", we spoke at some length as to how societies first "devalue" those groups of people they later begin to kill. Hitler carried out an extensive campaign of devaluation of all the groups he later began to kill, like the Jews, the Gypsies, the handicapped, retarded, just to name some of them. Then, we discussed that American society, actually, Western society, has begun to also devalue certain groups within its midst, like the pre-born baby, the elderly, the terminally ill, and the Born Again Christian. We have already started to kill the pre-born and the elderly openly, and if Professor Wolfensberger is to be believed, America has already begun to secretly kill the terminally ill.

Cloning will accelerate this process of killing the devalued; in fact, Cloning will create other devalued groups. Why? Because it will prove very difficult to compete with the perfect beings that Cloning can supposedly provide. We will start to hear people saying, it is too bad that everyone cannot be as perfect as the clones we *could* turn out. Once this starts to be heard, it will probably not be too long before we actually start the killing.

As we finish this article, let us turn back to this Biblical perspective. As we mentioned earlier, Satan is in absolute control of the events leading up to the New World Order, because *God has allowed him this temporary control*. This is the Time of the End of the Age, where God is going to allow Antichrist to appear as prophesied. Therefore, those four (4) prophecies in Revelation 6, mentioned above, come to life. For the only time in history, God is going to allow Satan to accomplish things on Earth that are not only unprecedented, but things which God heretofore reserved to Himself. What do these Scriptures say?

### **"Power was given"! power was given !! power was given !! power was given !!!**

Four times God says He is going to give unprecedented power to Antichrist. While Cloning is not mentioned as being one of those instances specifically mentioned, I believe it highly likely that the power over life and death is generally given to Antichrist in Revelation 6:4. Antichrist is given the "power" to kill.

But, God's choice of words here is magnificent! "Power", in the original Greek, can mean "*superhuman ability*" and "given" in the Greek can mean "*smite (+ with the hand), strike (+ with the palm of the hand)*"!!! This is the key defining characteristic of the Kingdom of Antichrist. Antichrist is going to possess "*superhuman ability*" to rule the world for 7 years, and his rule will be characterized by unbelievable cruelty, literally a "*smiting with the hand*".

This is the core meaning of this issue of Cloning. When Antichrist arises, he will use all technology available to him to wreak havoc upon the world. One of the issues near and dear to his heart is Eugenics. After he has "cleansed the Earth" -- a key New Age phrase -- he will begin to create his super race in the laboratory.

The End is truly here. Are you spiritually ready? Is your family? Are you adequately protecting your loved ones? This is the reason for this ministry, to enable you to first understand the peril facing you, and then help you develop strategies to warn and protect your loved ones. Once you have been thoroughly trained, you can also use your knowledge as a means to open the door of discussion with an unsaved person. I have been able to use it many times, and have seen people come to Jesus Christ as a result. These perilous times are also a time when we can reach many souls for Jesus Christ, making an eternal difference.
