

GENE WARS?

According to Josephus, "Many fallen angels of God now consorted with women, and begot sons on them who were overbearing and disdainful of every virtue; much confidence had they in their strength. In fact, the deeds that our tradition ascribes to them recall the audacious exploits told by the Greeks of the giants. But Noah...urged them to adopt a better frame of mind and amend their ways." In the eighth century A.D., Rabbi Eliezer records in the midrash: "The angels who fell from Heaven saw the daughters of Cain perambulating and displaying their secret parts, their eyes painted with antimony in the manner of harlots; and, being seduced, took wives from among them."

The names of several fallen angels survive only in careless Greek transcriptions of Hebrew or Aramaic originals, which make their meaning doubtful. But 'Azael' does seem to represent 'Asazel' ('God strengthens'). 'Dudael' is sometimes translated 'God's cauldron.' The Nephilim ('Fallen Ones') bore many other tribal names, such as Emim ('Terrors'), Rephaim ('Weakeners'), Gibborim ('Giant Heroes'), Zamzummin ('Achievers'), Anakim ('Long-necked' or 'Wearers of Necklaces'), Awwim ('Devastators' or 'Serpents'). One of the Nephilim named Arba is said to have built the city of Hebron, called 'Kiriath-Arba' after him, and become the father of Anak whose three sons, Sheshai, Ahiman and Talmi, were later expelled by Joshua's comrade Caleb. These "Fallen Ones" were cannibalistic giants and had sexual relationships with, first, human women but later went on to indiscriminate sexuality with virgins, matrons, men, and beasts.

It was because of the evil brought upon the earth by these "Fallen Ones" that decided God to wipe from the face of the earth all men and women, with their gigantic corruptors by the Great Flood. Noah and his family were instructed to build an ark to avoid destruction in the Flood. The wife of Ham (one of Noah's sons) had, however, been impregnated by a fallen angel named "Shemhazai" before getting on the ark (according to Hebrew legend). The descendants of Ham were the Canaanites (Ge. 9:18,22,25,27; 10:6,15-18) whom God instructed the Jews to kill when the Jews finally came to their Holy Land promised by God. We can therefore, in the fallen angel-human hybrid of the wife of Ham discern their general characteristics. Named Canaan, the progenitor if the Canaanites, we see the following about a demon-human hybrid:

Canaan was cursed by Noah to be the servant of servants of his brethren and Canaan was the servant of Japheth. Canaan was not an only child; his brothers were named Cush, Phut, and Mizraim (although these three brothers were not sired by the "fallen one" called Shemhazai. The children of Canaan were Sidon (Canaan's first born) and Heth. From there further descendents of the demon-human hybrid Canaan were the Jebusites, Amorites, Girgashites, Hivite, Arkite, Sinite, Arvadite, Zemarite, Hamathite and from there the families of the Canaanites were spread abroad. The border of the Canaanite land was from Sidon to Gaza and down to cities of the south called Sodom, Gomorrah, Admah, Zeboim, and even

down to Lasha -- the area of what is now, in this present day, known as Israel.

In the Exodus from Egypt, Moses was instructed by God to go to the land of the Canaanites -- this was the "promised land." God told Moses that He would send an angel before Moses; and that He would drive out the Canaanites, the Amorites, the Hittites, the Perizzites, the Hivites, and the Jebusites from the "land flowing with milk and honey." God instructed Moses to be on guard in that land so as not to make any covenants with the inhabitants of Canaan "lest it be for a snare in the midst of thee: but ye shall destroy their altars, break their images, and cut down their groves." The Semites (Jews) were instructed by God to smite the collective nations in Canaan and "utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them: Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son. For they will turn away thy son from following me, that they may serve other gods; so will the anger of the Lord be kindled against you, and destroy thee suddenly." God is definitely directing a plan to remove the remnant of the demon/human hybrid species which was not, unfortunately, totally wiped out in the Great Flood.

Still, though despite the growing power of the Jews and the Divine decree, the Jews were frightened because of the technology of the Canaanites. Joshua, after crossing into the land, reassured the people of God saying, "for thou shalt drive out the Canaanites, though they have iron chariots, and though they be strong." Still all the descendants of Ham were not utterly destroyed and it was the Pharaoh king of Egypt who had helped clear many, but not all, of the Canaanites out of the land. The area of Jerusalem was given as a present to his (Pharaoh's) daughter who as also the wife of Solomon. The remaining Canaanites went, by the decree of Solomon, into the levy of bond service to the children of Israel. This "covenant" with the remaining Canaanites proved, as God had already warned, to be the undoing of Solomon and he went off into idolatry and maintained Canaanite concubines.

Solomon began to worship Ashtoreth, the goddess of the Zidonians, and after Milcom the abomination of the Ammonites; finally also including the gods Chemosh and Molech. Solomon's great kingdom taken from him and eventually given to the "ten tribes." The lineage of the hybrids goes on...

We see, in this brief review, that there is STILL TODAY genes of the hybrid species product of the "Fallen Ones" and "Daughters of men" on the earth. Descendants of Canaan, the child of the result of the union of Ham's wife with the "Fallen One" called "Shemhazai", have not been "utterly destroyed" (Ex. 33:2, 34:11, De. 7:1, Jos. 5:1; 17:12; 1 K. 9:16). Why is it, in this day and age of the UFO/alien thinking, that these "aliens" are reported to do such things as impregnate women and steal their fetus before it is born? Why is it that there are reports of human men having sexual relationships with female "aliens?" Why is it that there is such apparent interest in genetics reported associated with these present-day "aliens?" Why is it that the "aliens" technology is considered so advanced? Who are the hybrids

today and what is their genetic signature?

Is there any great doubt to the Christian about the true nature of these "aliens?" Is there any great doubt as to how the "aliens" or the hybrid species regard Christians? Is it the Christians who are to "purge the genepool?" BY NO MEANS!! CHRISTIANS ARE NOT NOT NOT NAZIS. We

do see in

this discussion, however, that the work of the Nazis to wipe out the Jews "because they are a lower root race" <ahem...> begins to make some sense in the grand overview. We begin to see some of the thinking guiding the evil that is in the world... We are, perhaps, witnessing a "gene war" that has been going on since the beginning of recorded history -- that war is a battle of "who" shall possess the flesh of the human race.

It is by the blood of the perfect Lamb, Jesus Christ, that we are saved unto Him and are already victorious for it is written that no flesh shall enter the Kingdom of God. Jesus said, "I am going to prepare a place for you that where I am there also shall you be." It is written "that ye are dead and your life is hidden with Christ Jesus." We know also, that after this age there shall be yet another and, then, finally another in which (see Revelations) the "gene war" shall come to an end on earth and God himself shall dwell with His people.

As a final note: the Human Genome Project is currently underway in the molecular biological sciences. This project is a very ambitious undertaking in which the entire human genetic code will be mapped. Estimates of when the mapping shall be completed vary from between 5 to 10 years from now. Only coincidence? The work of Good or Evil? Time will shortly tell...
