

Regional Government Update 1987

The country is partitioned off into 10 "regions". The most bold black lines delineate the ten sections (regions), each having its own "capital". The less bold lines depict the replacements for countries. They are called U.M.J.O.s (Umbrella Multi-jurisdictional Organizations). Every state has been so recast. The finest lines are the present country structure that is "planned" to be abolished!
