

The Tabernacle in the Wilderness

1. **Outer Court:** The outer court is 100 x 50 cubits x 5 cubits high. It is made of 60 posts, with 40 each on the North & South sides, 20 on the west end, and 20 on the East. Posts are acacia wood with bronze bases and silver tops. Silver hoods for hanging the white linen curtains and for the tethering cords both outside and inside the courtyard. Gate on the East end is 20 cubits wide.
