

Alice Bailey & Master Djwhal Khul: A SATANIC COMMUNION

Preparation too must be given to the developing of higher psychic powers...Hospitals and schools will appear under the direct guidance of the Masters; Teachers... will train the minds of the pupils to be responsive to direct inspiration from above. **The Externalization of the Hierarchy p.516**

As we have seen in **part one**, Lucis Trust is, today, intimately connected with Elite Politics through its World Goodwill. We haven't yet, however, examined the occult teachings of Bailey as they were related by her Master Djwhal Khul. Her 24 books, combined with the Beacon magazine, Triangles, and the Arcane School indoctrinate students into what Bailey describes as the "Ageless Wisdom" teachings. The Arcane School, founded in 1922, boasted 20,000 graduates by 1954. This *occult university* is more active than ever and continues to be the main training ground for New Age disciples.

The bulk of these occult teachings, in Bailey's books, are from her channeled Tibetan master Djwhal Khul (DK); the "Plan" according to the Hierarchy of Ascended Masters. Through a series of group-initiations and group-meditative techniques the Hierarchy directs the "New Group of World Servers" to implement a "New World Religion" of which humanity as a whole can aid the "will of the planetary logos". "Emphasis should be laid on the evolution of humanity," so says Master DK through Bailey, "with particular attention to its goal, perfection." (*The Externalization of the Hierarchy p. 515*) The objective is "the **helping of the Great Ones** and the rendering to Them of that intelligent assistance which will **make Their plans for humanity materialize.**" (ibid. 516)

One way to "materialize" the Hierarchy's plan for humanity is through Lucis Trust's Triangle networks. Their goal is the practice of occult meditation "the science of energy flow and energy relationships." Lucis Trust states that "occult meditation is a means of consciously and **purposefully directing energy** from a recognized source to the **creation of some specific effect.**" International participants "sit quietly for a few minutes and link mentally with other members of their triangle, or triangles. **They invoke the energies** of light and goodwill, visualizing these energies as circulating through the three focal points of each triangle and pouring through the networks of triangles surrounding the planet. At the same time they repeat the Great Invocation."

Her 30 year telepathic connection to Master DK was what some would un-hesitantly call demonic possession. Her husband Foster Bailey said, "During the long course of the work the minds of the Tibetan and A.A.B [Alice Ann Bailey] became so closely attuned that they were in effect — so far as much of the production of the teaching was concerned — a joint single projecting mechanism." (*The introduction to Cosmic Fire*) The technique is called in the occult the "overshadowing" — a euphemism for demonic possession, or as Bailey liked to call it "the science of impression". Moreover, the Hierarchy has "overshadowed" many in the intervening years up to the close of the century — the growing modern practice of channeling and psychic astral projection bears out this prediction of a half century ago:

These methods of overshadowing will largely be the ones used by the Great Lord and his Masters at the end of the century, and for this reason They are sending into incarnation, in every country, disciples who have the opportunity offered them to respond to the need of training men and woman to recognise the higher psychism, and the true inspiration and mediumship, and to do this scientifically. In fifty years time, the need for true psychics and conscious mediums (such as H.P.B., for instance [Helena Petrova Blavatsky]) will be very great if the Masters' plans are to be carried through to fruition, and the movement must be set on foot in preparation for the coming of Him for Whom all nations wait.

A Treaty on Cosmic Fire, pp. 757-758

Ten Seed Groups

In *The Externalization of the Hierarchy*, Master DK informed Bailey of the Hierarchy's plan for "The Ten Seed-Groups" (p.90). These seed-groups were to infiltrate all sectors of society, and be "esoterically anchored" with "new approaches to divinity." I have no doubt that today's New Age Movement is the result of the Hierarchy's "scattering of the seed", as Bailey put it, and that today's, arguably, open pagan society can largely be traced to this occult "plan". The Ten Seed Groups were "embryonic, like germinating seed". Through their occult practices these ten groups would work directly "under inspiration from the Hierarchy via the focused minds of the group." From Alice Bailey's *Discipleship in the New Age - Volume I, p. 35-40*, The Ten Seed-Groups are as follows:

1) Telepathic Communicators

Summary of Work Telepathic communication from soul to soul through: from mind to mind through integration; between humanity and Hierarchy (inner government of the planet) through **Science of impression.**

2) Trained Observers

Summary of Work Dissipation of world glamour, **illusion** and maya through **illumination.**

3) Magnetic Healers

Summary of Work Through "magnetic living". Through laws of life — laws of health and **right** human relationships. Through continuity of consciousness.

4) Educators in the New Age

Summary of Work Education through **inflow of the light** of knowledge into "instinctual man". — Through inflow of the light of the wisdom into "intelligent man". Through applied knowledge, expressed wisdom and **occult understanding** in "spiritual man".

5) Political Organizers

Summary of Work International understanding through communication of the divine (political) Will into races and nations, ****linking the department of the Manu (the Ruler of the human race) with men.****

6) Workers in the Field of Religion

Summary of Work Through **transcendental mysticism**. Through transcendental **occultism**. Through transcendental religion.

7) Scientific Servers

Summary of Work Through development of new hypotheses to substantiate the next step forward. Through sensitive reaction to spiritual energies and forces. Through release of energy to relate spirit and matter and precipitate the divine Plan.

8) Psychologists

Summary of Work Through relationship of the human kingdom to the **sub-human** and the **super-human** kingdom. Through a study of the divine Plan for the five kingdoms of nature.

9) Financiers and Economists

Summary of Work Through a study of the nature of **prana or etheric energy**. — Through study of deflection of this form of concretized energy into constructive channels and "ways of light". — Through study of the law of supply and demand.

10) Creative Workers

Summary of Work Through linking life and form. Through philosophical relationship of **synthesis and the Plan**.

Truly an occult conspiracy of the highest kind, and worrisome at the very least for anyone — both Christian and non-believers alike. When you factor in what I've shown in part one — Lucis Trust's influence over international elite politics — its downright chilling! The most revealing part of the seed-groups is the fact that the political organizers link **"the department of the Manu (the Ruler of the human race) with men"**. The Bible already tells us that "the ruler of the human race" is Satan (John 12:31 & 14:30; Ephesians 6:12; Luke 4:6-7; 2 Cor. 4), then it follows that "the department of Manu" must be but another name for the deceiver. This is indeed the case. In *Frontier Science/Social Change*, Paul Von Ward relates, "Hermetic Principles...comprise part of a body of knowledge allegedly given to humans by an advanced being more than 5,000 years ago. He has been known by various names, including **Thoth or Seth** in Egypt, **Manu** in India, **Hermes** in Greece, and **Lucifer or Satan** in the Judeo-Christian tradition."

	
Idolatrous Incantation	
Invocation — a formula for conjuring.	
Mantra — a mystical formulation of invocation or incantation. (Webster's Collegiate Dictionary)	
Oct. 1982. Full page advertisement in Reader's Digest.	

As mentioned before, the Great Invocation is sounded while the Triangle networks of "light workers" meditate to cause the "energy flow" of the Hierarchy to enter and influence humanity. The present version, giving in 1945 and shown above, was the third installment of a series of Invocations giving to Bailey by Djwhal Khul.

According to Lucis Trust, "The Great Invocation if given widespread distribution, can be to **THE NEW WORLD RELIGION** what the Lord's prayer has been to Christianity." The wording was intentional, so that Christians would not become suspicious. In *Discipleship in the New Age*, p.157 we find, "I [Djwhal Khul] have so worded and rendered the Invocation [so] that the Christian world, through its churches, may not find it impossible to use." This represents a calculated deception on DK's part. On pgs. 150 and 156, we learn: "It can be so presented to the masses everywhere, the general public, will be prompted to take it up and will use it widely... The meaning of this Invocation has been expressed in terms which are understandable, in a measure, to the average person because of its familiar wording, based on many Scriptural terms. But **the true inner implications and significances are... not superficially apparent...** They mean one thing to the ordinary man...; they mean another thing to the man upon the Probationary Path...; these words mean still another thing to the disciple...; to initiates and to the senior Members of the Hierarchy, they convey a still higher and more inclusive significance."

That is indeed the case, and the actual words used are giving a totally opposite meaning when examined under the light of Biblical Scripture, and compared point for point with Bailey's writings (she often quotes scripture — the interpretations of which are giving by her channeled Master). See Ph.D Robert A Herrmann's web page A Modern Manifestation of Absolute Evil **for his**

things. An example would be Moses receiving the Word(Logos) from God through the Ten Commandments. It was known as the means through which man can receive the wisdom of God. The Apostle John was aware of this concept, and he used it to appeal to both the Greeks and the Hebrews of his time. **"In the beginning was the Word (Logos), and the Word (Logos) was with God...and the Word (Logos) was made flesh, and dwelt among us."** (John 1: 1,14) It was a particularly forceful way of teaching the Divinity of Jesus as the Logos. Consequently, this plural aspect in the Logos was to be a defining factor for the Church's teaching of the Trinity.

Jesus has always been the Logos. So when Bailey's teacher and mentor, H.P. Blavatsky, wrote, **"...actually the "Serpent" was the "Lord God" himself, who, as the Ophis, the Logos, or the bearer-of divine creative wisdom, taught mankind to become creators in their turn...[1]"**, Christians must have been horrified. Bailey's own "Planetary Logos" carries on in the Luciferic tradition...she didn't call her organization Lucifer Trust for nothing!

SHAMBALLA The Holy City	Will or Power Purpose, Plan Life Aspect	Ruler: Sanat Kumara, The Lord of the World, The Ancient of Days, Melchizedek	Planetary Head Center, Spiritual Pineal Gland
THE HIERARCHY The New Jerusalem	Love-Wisdom Consciousness Group Unity	Ruler: The Christ, The World Savior	Planetary Heart Center
HUMANITY The City, Standing Foursquare	Active Intelligence Self- Consciousness Creativity	Ruler: Lucifer, Son of the Morning, The Prodigal Son	Planetary Throat Center

And so it is, Alice Bailey's "trinity". Notice that Lucifer is the Ruler of Humanity. He's also identified with something called the "planetary throat center." This is a clue that she is talking about chakras. Lucifer, or rather, luciferic energy is released when the 5th chakra (throat) is awakened. Notice how Sanat (Satan) Kumara is also identified with the "spiritual pineal gland" and "planetary head center", this would correspond to 7th chakra — chakras are also called "energy centers", so Bailey's "Planetary Centers" fits within the chakra teaching, and Bailey calls her Logos "Logocic **kundalini**."

What's more, each chakra is a Logos unto itself. Bailey says that the "Planetary Logos" is called the First Kumara, "the one Initiator," and "he came to this planet from Venus." [2] An allusion to Lucifer and his traditional association with Venus (Son of the Morning). Elsewhere, she writes that "the goal for the planetary Logos is God Consciousness",[3] and that the "illuminating light of the **fifth Logos** (Lucifer- 5th throat chakra) is felt at the third initiation." [4] And she makes another statement that the "Venus scheme" was "signalized" by the "Venusian planetary **Logos on His fifth chain(chakra)**". [5]

According to Hindu tradition, each chakra center also has its associated color. If you look at the drawing at top-right you can see that the 5th chakra (Lucifer) is given the color blue. Below it is a representation of the throat chakra bathed in its characteristic blue "light." Look familiar? It should! The Reader's Digest full page ad I've shown above also has a blue glow.

In part one I displayed the Lucis Trust logo and it too features this streaming blue light. The New Age Symbol invented by Foster Bailey has a plethora of symbolic imagery. The symbol, **according to Lucis Trust**, is "set in a limitless field of blue, which signifies the sphere of life expression of our solar logos...superimposed upon the triangle of **new age forces** is the five pointed star of [Anti]Christ. The Star is blue because it represents as much of the solar quality to which humanity can respond." You can see this symbol on the front cover of Lucis Trust's Beacon Magazine (bottom-right), which also displays the blue light of the "logos".

In **Initiation, Human and Solar**, Bailey mentions the five-pointed star as the final two initiations and "it descends upon him, merges in him, and he is seen at its center." The five pointed star "blazes forth" and "he enters within the flame." A perfect description of the Luciferic Initiation if there ever was one! This, she says, "puts a man in touch with the center in **the Body of the Planetary Logos**."

What made me realize the significance of Bailey's blue symbology was a short snippet, almost written in passing, in an e-mail sent to a list that I'm on: **"Blue is Masonic Blue Lodge for Blue Light eyes of Horus the "Watcher". The United Nations has Blue Flags and Helmets. Blue is for the Occultic "Blue Lips of Death."** It was sent by Pointman (some of you know him), so I knew it was an important part in their secret symbology. As I started checking into it, I realized he was absolutely right, and I had been working on these Lucis Trust pages at the time, which immediately brought the whole thing into perspective.
