"Can a leopard change its spots?" Jeremiah 13:23

Who rode on the back of a Tiger

They came back from the ride

And a smile on the face of the Tiger."

Introduction

The past decade has seen an acceleration of Christian denominations uniting under the banner of political correctness. That movement is called " Ecumenism". Evangelical Protestants have been the main facilitator of this movement. This denominational-stew is now coming under the direction of the Pope of Rome. The Pope is now taking this hodge-podge of collective non-theology nonsense to the heights of absurdity by having Christians and Moslems unite under a brotherhood of "love, peace and unity"...whatever those relative terms mean (It does include homosexuality). This multi-faithism is MOST politically-correct for its ultimate goal is " Inclusiveness". By Inclusiveness, this Thyatiran church has many lovers, just like Jezebel. This Christian-stew is now in bed with Moslems, Buddhists, Hindus, Jains, Sikhs.....you name it, they claim it...any cult will do.

This of course is Spiritual Adultery. This is the Apostate Church of the Last Days. This is the "falling away " mentioned in 2 Thessalonians Chapter 2:3. However, this is NOT the Harlot of Revelation 17.

The Harlot Church of Rev. 17 will be Syncretic (Syncretism)....meaning that parts of all religions will be spliced and diced to fit one belief-system that will benefit world-government.

SYNCRETISM

http://www.sim.org/SIMNOW_World_Religions_9.asp

The Catholics contribute the large numbers of peoples, the Protestants contribute a watered-down compromising set of ethics, New Age contributes a "divinity within", Muslims contribute capital punishment by beheading, and so on and so forth.

" THE GREAT WHORE ... MYSTERY BABYLON the GREAT, THE MOTHER of HARLOTS and ABOMINATIONS of the EARTH "

This is when the One World Religion (headed by a political leader---the false prophet---and not headed by the Pope) endorses the One World Government of the antichrist.

The Harlot of Rev. 17 is a City....not a religious city, but the ultimate Political City...the Capital of the World, reigning over the kings of the earth. (The Pope has no military clout, so he is vulnerable to the kings of the earth). As best as we can see it, that Harlot city is New York City. This is the city that reigns over the kings of the earth.

The meaning of the symbols of Rev. 17

waters = world trade, commercialism (Rev. 17:15)

woman (whore) = New York City "that great city"

scarlet colored beast = antichrist

arrayed in purple: political correctness (including homosexuality)

and scarlet : tyrannical; drunk with the blood of dissenters (saints)

10 horns which hate the whore: Western EU France, Germany , Belgium, Italy, England , Netherlands, Greece, Spain and Portugal.

LAMB = Jesus Christ

7 KINGS = please see www.cybertime.net/~ajgood/ch2p2.html for full explanation

So then, we see Ecumenism (all faiths) turning into Inter-Faithism (one belief)... which turns into a Global All-Inclusive Religion. (all peoples). The All-Inclusive Religion will be headed by a political leader, the false prophet. This All-Inclusive Religion is called "Universalism" which means that all men everywhere are automatically saved. *The "Christian " version of Universalism is OSAS. (Once Saved, Always Saved)* It is a total blasphemous lie. It is built on the false premise that God has unconditional love and therefore loves all mankind, and wouldn't even think of sending any one to hell. (Please see Mark 9:43-50)

This is heresy. It is all wishful thinking, pure DELUSION (*2 Thess. 2:11*) and a bold---- very bold---LIE. John 8:44

God's truth has been revealed to us in the Holy Bible. Jesus Christ--the God-man---took our sin nature upon Himself and became the sacrificial Lamb that died in our place so that all those who believe solely on the Name of Jesus alone, would receive Salvation and Everlasting Life. Amen. Period. There are no "ifs ", " ands " or "buts".

This one world religion---headquartered in New York City, and led by the false prophet --- will give its allegiance to the antichrist. (headquartered in Western Europe..the EU) All followers will obey the antichrist-scarlet-beast (a former and future political leader) , who will be reigning over the kings of the earth as the One World Ruler.

May 18, 2002 New Coalition Announces First Steps Toward Broad U.S. Christian Alliance

By Richard N. Ostling The Associated Press

A group of church leaders has invited the nation's denominations and congregations to work toward a national alliance that - for the first time - would unite all sectors of U.S. Christianity.

" The new entity, tentatively called "Christian Churches Together in the U.S.A.", has been under private discussion for two years. Leaders agreed on wording for the invitation at a Chicago meeting April 6, but began publicizing it in church circles this week.

[Ed note: if you read the following, it looks more like a political party than anything else. Is this the "Kingdom Now" people ? Dominionists ? If it is, it is first of all anti-Semitic]

"In terms of doctrine, the invitation defines potential members as those who "confess Jesus Christ as God and Savior according to the Scriptures to the glory of the one God, Father, Son and Holy Spirit."

The invitation says the future organization's purpose would be to represent "the full spectrum of Christians in the United States" and provide a stronger and united voice on "matters critical to the gospel in our society" and "crucial issues of human dignity and social justice."

It is these areas of united purpose which represent the 'hidden agenda' of the Ecumenical and Interfaith Movements now at work across the globe.

What does the Bible have to reveal on this agenda? A parallel is surely to be found in the 'Mystery of Lawlessness', which had already begun in the time of Paul the Apostle and which is leading to the greatest deception ever to engulf the Church (2 Thessalonians 2:1-12). It involves an apostasy from the faith and the building of a global confederation which goes far beyond the confines of the Church as manifested in the world. It is the culmination and fulfillment of that universal political and religious conglomerate which Satan has contrived to build on Earth through the schemings of sinful men ever since his tyrannous ambitions were first confounded by the Triune God at Babel, on the plains of Shinar (Genesis 11:1-9; cf. Revelation 13:1-18; 17:8-18).

George Carey heads "peace conference" in Alexandria

Leading clerics of the Jewish, Muslim and Christian faiths called Monday for an immediate cease-fire in the Israeli-Palestinian conflict and the implementation of the Mitchell and Tenet recommendations.

At the end of a two-day conference organized by Archbishop of Canterbury George Carey, the clerics issued a seven-point declaration that included a pledge

to establish a permanent committee of representatives of the three religions that would work for peace in the Holy Land.

WCC DEFENDS ISLAM

World Council of Churches head Dr. Konrad Raiser sent a letter in Nov. greeting the world-wide Muslim community at the beginning of Ramadan. He evoked the spiritual bonds uniting Christians and Muslims that "need to be rediscovered in the aftermath of the 11 September tragedies."

He expressed solidarity with the Muslim community, and of "our commitment to the spirit of dialogue and mutual trust." He wrote: "All acts which destroy life, whether through terrorism or in war, are contrary to the will of God. The recent tragic events [reveal] the vulnerability of all nations and the fragility of the international order. A world in which more and more people and nations are consigned to extreme poverty while others accumulate great wealth is inherently unstable. The tendency to impose one's will, even by force - which is [seen] in the policies of powerful nations provokes resentment among the weaker ones. ...Here the dialogue between Muslims and Christians, to which the World Council of Churches remains strongly committed, finds its authentic meaning." (11/16 WCC E-mail). [The apostate WCC's bent toward socialism and syncretism is clearly evident. -Ed.]

DIALOGUE IS DANGEROUS-

Beware of the leading Evangelicals of our day who are attempting to find a common cause with a dangerous religious system that

preaches a false gospel and has enslaved millions...for hundreds of years. True believers should never support or find themselves in joint ministry with any religious leaders who are capitulating to the Roman Catholic Church, nor should they associate with or participate in dialogue with those who are attempting to find common cause with those who preach a false gospel. God's command is clear---

separate, turn away, shun and avoid false teachers,
for they will one day face the judgment of God as a result of their rejection of His truth (Foundation).

INTERFAITH WORSHIP VIOLATES CHRISTIANITY

NAE's (National Association of Evangelicals) Richard Cizik says interfaith services- featuring, e.g., Muslim, Hindu, Catholic, and Protestant leaders-which have sprung up increasingly since 9/11, and which see all religions as equally valid, should be rejected.

Meeting organizers sometimes ask clergy to focus on only those beliefs shared by all involved, or to refrain from using Christ's name (12/17 C.News).

Cizik rightly says: "We do no one a favor by appearing to support a mistaken pluralism that pretends all religions are the same."

Un- Biblical.....

Pope says "we all have one Father". Not so. The Father of true Christians gave His only begotten Son, Jesus, to be the atonement for our confessed sins. Jesus is the only Savior and Redeemer of mankind, and He is the Son of God. . Not all faiths believe that, so they have chosen another father.

"W"Leader of the Religious Right ??..Dec.24-2001

Pat Robertson's resignation this month as president of the Christian Coalition confirmed the ascendance of a new leader of the religious right in America: George W. Bush.

For the first time since religious conservatives became a modern political movement, the president of the United States has become the movement's de facto leader -- a status even Ronald Reagan, though admired by religious conservatives, never earned. Christian publications, radio and television shower Bush with praise, while preachers from the pulpit treat his leadership as an act of providence. A procession of religious leaders who have met with him testify to his faith, while Web sites encourage people to fast and pray for the president.
