

Title: **WAR COLLEGE PROPOSES THAT A NAFTA MILITARY FORCE BE CREATED WITH THE UNITED STATES, CANADA, AND MEXICO!**

Subtitle: For centuries, New World Order leaders were stymied in their efforts to eliminate the nation-state, replacing it with 10 super nations. After WWII, they conceived of creating economic super states, feeling that, once a super state functioned economically for a while, the transition could be made into a political state. This proposal, above, means that our leadership is trying to establish NAFTA as a political state, perfectly in accord with the thinking of the Plan.

THE CUTTING EDGE

NEWS BRIEF: " 'NAFTA for military', proposed U.S. war college report urges joint command with Canada, Mexico." By Linda Diebel Toronto Star Latin America Bureau, reported by the WorldNetDaily, July 7, 1999. [Emphasis in red added]

"MEXICO CITY - A United States military report advocates a joint command for American, Mexican and Canadian forces, in the same way the three countries are united under free trade. The report, by Lt.-Col. Joseph Nunez for the U.S. Army War College in Carlisle, Pa., also suggested a North American peacekeeping force, headquartered in the U.S., with deputy commander positions rotating between Canada and Mexico."

" Moving from bilateral arrangements to a (military) organization that reflects regional economic and security concerns is a better strategy, particularly considering our burgeoning trade through NAFTA (North American Free Trade Agreement) and the growing threat of terrorism that can penetrate through our borders," the report said."

"The war college study is the first to publicly advocate the sensitive issue of integrated military command - a matter of sovereignty in Canada and Mexico, as well as countries throughout the hemisphere. Such a command would co-ordinate military action on terrorism, insurgency, security threats and drug trafficking."

After just a few years of establishing NAFTA as an economic super nation [Nation #1 in the New World Order 10 Nation Reorganization] it is evidently now time to float the first trial balloon proposing that we should take the next step toward a political super nation that parallels NAFTA.

This trial balloon begins the process of gradually changing people's minds about a subject about which they presently hold firm and strong beliefs -- in this instance -- national sovereignty. You see, at several times during the last two centuries, the Illuminati has sought to overthrow kings and kingdoms as an effort to establish their global government. For some reason, the Illuminati has long held a fascination for unifying Europe. The first Illuminist attempt to unify Europe began with the French Revolution, which was strictly an Illuminist rebellion. Napoleon tried to unify Europe by force, as did Adolf Hitler. But, after World War II, Foster Bailey, husband of Alice A. Bailey, the Director of Theosophy, made this statement: "A previous attempt had been made to unify Europe 'by uniting the peoples living in the Rhine River Valley, using that river as a binding factor. It was an attempt by a disciple, but it did not work. Now another attempt is in full swing ..." [Foster Bailey, *Running God's Plan*, Lucis Trust Publishing, 1972, p. 14-15, as quoted in Constance Cumbey's *Hidden Dangers of the Rainbow*, p. 57].

This passage is one of the most clear in establishing the fact that the New Age Movement considers Adolf Hitler as one of their own, a fact we prove so clearly. [You can read full details of this shocking reality in [NEWS1004](#), [NEWS1005](#), [NEWS1008](#), and [NEWS1017](#) for proof that Adolf Hitler was a practitioner of what we today call the New Age].

The other attempt to which Foster Bailey referred, above, was economic. After World War II, the Illuminati in general and the Bilderberger Group in particular, decided that neither Europe nor the world was ever going to be reorganized according to force of arms. Consequently, they decided to unify the world **economically at first**, depending upon that quirk of human nature called "gradualism". Once humans get used to something gradually, in stages, they have little opposition to going all the way in little incremental steps over a long period of time.

Therefore, the Illuminati created a plan to reorganize the entire world into **Economic Super Nations** -- 10 of them -- while leaving the current political organizations intact. Thus, people could be lulled into accepting an economic change because it did not mean that they would have to accept a change in the political structure.

But, even the Economic Super Nation structure was established without immediately changing the currency of the individual nations comprising the Super Nation. That change, too, could come later. We are seeing Europe now moving to a single currency, and the rest of the world will soon follow.

This War College article, then, is the first salvo in a specific plan designed to move the citizens of all three countries in NAFTA to accept a change to a political union that parallels the economic union accomplished when NAFTA was passed and ratified by the United States, Canada, and Mexico. Notice that this proposal says nothing about making a change in the governments of these three countries; rather, it just proposes the next logical step of creating a joint military command comprised of soldiers and commanders of all three nations.

In a few more years of other incremental steps, or after the appearance of a very, very persuasive world leader, the citizens of NAFTA will even be able to agree to abolish individual governments, replacing them with one single NAFTA leader. But,

that step is years away. For now, this proposal from the U.S. Army War College, described correctly in this article as a "Think Tank", simply begins the process of gradually -- and in small baby steps -- of starting the debate which will eventually result in the change desired, i.e., a unified military under NAFTA command.

What is this established process called? We have dubbed it the **Six Step Attitudinal Change Plan**. This is how this insidious process works. [You can learn about it thoroughly by reading [NEWS1055](#)]

SIX STEP ATTITUDINAL CHANGE PLAN

Step 1. Some practice so offensive that it can scarcely be discussed in public is advocated by a **RESPECTED** expert in a **RESPECTED** forum.

Step 2. At first, the public is shocked, then outraged.

Step 3. But, the **VERY FACT** that such a thing could be publicly debated becomes the **SUBJECT** of the debate.

Step 4. In the process, sheer repetition of the shocking subject under discussion gradually dulling its effect.

Step 5. People then are no longer shocked by the subject.

Step 6. No longer outraged, people begin to argue for positions to moderate the extreme; or, they accept the premise, challenging, instead, the means to **ACHIEVE** it.

How effective is this Plan in changing people's formerly deeply held attitudes and values? This process works so gradually and so slightly, day in and day out, that people do not realize they are being manipulated. Sep 4 is the key to this process. Step 4 is nothing more nor less than a debate. The two major sides in this debate are" 1) those who desperately want to make the proposed change; 2) opposed by those who just as desperately want to maintain the status quo.

Step 5 tells us that the debate itself causes a subtle and invisible change in people's attitudes because the content of the debate begins to make them less and less shocked about the proposal, even if they still oppose it. In this process, it does not matter who "wins" or "loses" each individual debate. Even if the proponent of maintaining the status quo does a terrific job in arguing during an individual debate, the proponent of the shocking change gains adherents in those people who have anything less than a rock-hard commitment to the status quo. After hundreds and hundreds of such "debates", the proponents of the shocking change will begin to forge a "consensus" view that will nearly carry the proposal through.

MASS MEDIA -- TOOL OF THE ILLUMINATI

The Mass Media has been in the hands of the Illuminati since the turn of this century, and has been doing its bidding ever since. The Protocols of the Learned Elders of Zion continuously brags that they have the world's press under their control. [Protocol 2, paragraphs 2 and 5, to cite just two examples].

The role of the Mass Media is to carry the debate live to the entire citizenry. They will devote a huge amount of time, energy, and space to carrying both sides of the **debate**. They will fearlessly carry the arguments of the opposition, even though their editors want the radical change as badly as anyone who is publicly leading the charge for the change. However, after the debate is under way, the Mass Media will begin to subtly change the way they frame the debate. The proponent of the radical change will begin to get softer questions to answer, while journalists will suddenly begin to radically change the type of questions they present to the proponents of maintaining the status quo. The demeanor of the Media anchor person in the debate also changes, as they compliment the radical change person, while beginning to demean the Status Quo person. Newspaper accounts are written with a bias toward the radical change, as are Editorial Columns.

The Mass Media plays a huge role in creating and fostering the critically needed **debate**. The Media also plays a huge role in ensuring that the debate never slows down or dies out. They will always find a way to keep it going, causing the flame to burn higher and higher until it succeeds in burning out the opposition to the radical change.

IMPORTANCE OF COMPROMISE

However, at this critical juncture, when the forces of change are close to victory, someone will step to the front with a proposal of compromise. This person will complement the Status Quo forces for their brilliance, for their patriotism, and for their desire to protect Motherhood and Apple Pie. This person will then propose a compromise that seems logical and will allow creation of the basic structure of implementation, with certain "safeguards" supposedly built in.

The Status Quo forces will accept this compromise, turning to their constituents with claims of great victory. They will say, "Look at the very serious consequences we have just averted". On the other hand, the proponents of the radical change will **publicly** wring their hands, saying, "Woe is us! We have been defeated when our proposed radical change would have given our country such great benefits. Woe, woe, and more woe!" But, **privately**, they will be congratulating themselves on such great victory. They will know they have just inflicted "Delayed Defeat" on the forces of Status Quo. They know that, once a structure making any kind of a change in the Status Quo is erected, that structure can be easily modified and changed. Very soon, the "safeguards" built in will be eliminated, and the radical change will be fully implemented.

Abortion is the case to examine to see that this process works extremely well when it is expertly applied. When the proponents began to argue for unlimited abortion rights, under any and all circumstances, and without any kind of parental control, most Americans were opposed in some way, shape or form. Fundamental Christians were the most opposed to it because their opposition was based on the authority of God's Word. Most Americans, however, were less adamantly opposed to it, in varying degrees. The debate is always aimed squarely at these latter types of individuals.

Once the debate had raged for several years in the decade of the 1960's, someone stepped forward with a brilliant alternative proposal. They proposed that Abortion be made legal, but under very narrow circumstances . Abortion would be made legal only for three conditions:

1. To protect the life of the Mother
2. In cases of Incest
3. In cases of Rape

Most Americans were tired of the incessant debate and just wanted it to go away, so they thought the compromise was swell. Fundamentalist Christians, on the other hand, did not want this compromise, but felt they were between a rock and a hard place. They felt that public opinion was against them, which it was. They felt that, sooner or later, the change in public opinion would result in the radical proposal being eventually accepted. Therefore, they felt that they could stop the process completely by agreeing to the "alternative proposal", i.e., the compromise.

Once they accepted the proposal, they elatedly told their constituency that they had prevented greater tragedy, and claimed victory. In public, proponents of radical Abortion Rights claimed they "was robbed" and wrung their hands. In private, however, they were jubilant. They knew what the Fundamentalists did not know; they knew they had won delayed victory.

The Six Step Attitudinal Change Plan always depends upon the Fundamentalists opposing the change to agree to a compromise. And, Step Six, the proposal of the compromise, is always aimed directly at the Fundamentalists. The aim is to win such a narrow victory that, while the Fundamentalists are claiming victory, the radical change people are busy behind the scenes gaining control of the structure and planning on how and when they are going to gradually stretch out the original narrow boundaries. Is it any wonder, then, that the Bible adamantly opposes compromise in any form? Had Fundamentalist Christian leaders really followed the Bible rather than the wisdom of man, we might have been able to stave off the Abortion disaster for many years, if not permanently, especially if we had depended upon the power of the Holy Spirit to give us victory.

In the case of Abortion, and many other changes in American society in the past four decades, the proponents of radical change had a hidden, secret ally -- the U.S. Supreme Court. In 1973, in an unbelievable defeat for the Fundamentalist side, the U.S. Supreme Court issued the Roe vs Wade decision, in which they threw the door wide open to unlimited Abortion.

As we have discussed, in NEWS1055, this Six Step Attitudinal Change Plan is being used, repeatedly, in so many different areas of American life, moving all aspects of this culture from Christian-based values to Satanic-based values and attitudes. The most insidious parts of this plan are that people are so gradually changed in their values that, once they have changed their values, they sincerely believe that they have arrived at this new value system on their own. They will also resist mightily any suggestion that they have been manipulated.

GETTING CLOSE ENOUGH FOR A SUPERMAN TO BRIDGE ALL REMAINING DIFFERENCES -- THE COMING 'PARADIGM SHIFT'

Now, this same Six Step Attitudinal Change Plan is being initiated to convince Americans, Canadians, and Mexicans, to become citizens of NAFTA. And, you know something, it will succeed! Given time and circumstance, the day will soon arrive when these three proud nations that have existed for a very long time, will cease to exist and will become NAFTA.

This same process will be applied to all the Economic Super Nations. Europe is already converted to economic, military, and political unification. A European Congress has been sitting, though largely symbolic, for some years now. Soon, this symbolism will end, and the unified European Congress will begin to govern.

If this process were to be carried out to all 10 Economic Super Nations, we might expect that the total unification of all nations of the world into one global government might take a generation or more. However, the planners of the New World Order have always planned that, at the right moment in world history, they would stage the appearance of their Messiah -- the New Age Christ -- in order to catapult mankind into the final stage very rapidly. All they needed to accomplish before their Christ arose was to change the key countries into the form they wanted. Thus, Western Europe was economically formed on December 31, 1992, followed by NAFTA. Now that the United States, Western Europe, and Nation #5 [Eastern Europe and Russia] are already in their final form, and now that the Reorganization Plan calls for both Japan and Communist China to be unchanged, the world is set for the appearance of Antichrist. His charisma will catapult the rest of the world into the final changes they need to make.

Within a matter of weeks after his appearance, amidst all "lying signs and wonders", the peoples of the entire world will enthusiastically do anything he proposes. When he proposes that all nations comprising the 10 Super Nations move immediately to economic, military, and political control, the people will do it. When Antichrist further propose that all of the 10 Super Nations submit to his personal control through the United Nations, the peoples of the world will fall all over themselves to accomplish such a change immediately.

GOD'S PROPHECY IS IN CONTROL

Thus will be fulfilled God's prophecy, found in Revelation 17:12-13, 17. "So also the ten horns that you observed are ten rulers (kings) who have as yet received no royal dominion, but together they are to receive power and authority as rulers for a single hour, along with the beast. These have one common policy (opinion, purpose) and they deliver their power and authority to the beast For God has put it into their hearts to carry out His own purpose by acting in harmony in surrendering their royal power and authority to the beast, until the prophetic words -- intentions and purposes -- of God shall be fulfilled." [Parallel Bible, KJV/Amplified Bible Commentary]

The entire overall New World Order Plan has been created according to this plan all along. You can see in their writings that they have one common purpose of assuming to their 10 Nation collective government all the political, military, economic, and spiritual power in the world. Then, once they have accomplished this task, they will stage the appearance of Antichrist, and will publicly hand over to him all the collective power they have just accumulated. Thus, their New World Order Plan fulfills Bible prophecy exactly on this point!

Do not underestimate the importance they place on producing Antichrist, their superman! They correctly believe that his appearance will produce an immediate "paradigm shift" in attitudes and values, that will enable the final stages of the Plan to be achieved instantly. Because of his popularity, all remaining outstanding issues will suddenly be overcome on **all fronts**. In all four areas mentioned above, we are that close to having all remaining issues suddenly resolved.

Remember in the first section, we mentioned that, after World War II, the Illuminati decided they could not unite the world by **military force**? They decided they needed to unite the world first economically and **diplomatically**? Did you know that this decision fulfilled a major Bible prophecy? Listen to God's prophetic words of nearly 2,000 years ago.

"Then I saw as the Lamb broke open one of the seven seals, and as if in a voice of thunder I heard one of the four living creatures call out, 'Come'. And I looked, and saw there a white horse whose rider carried a bow. And a crown was given him, and he rode forth, conquering and to conquer." [Revelation 6:1-2; Parallel Bible, KJV/Amplified Bible Commentary]

This prophecy relates the specific circumstances under which Antichrist will stage his appearance. He will ride on a white horse, as the counterfeit Messiah to the real Lord Jesus Christ Who will ride on a white horse at the end of the 7-year Tribulation Period [Revelation 19:11-16]. Further, Antichrist will be given a crown of authority from Heaven, symbolic of the ten kings giving him all their collective power and authority. Notice that Antichrist is pictured as carrying a bow, but no arrows. Scholars believe this is a picture of the way he will "conquer", not through military force, but by **prearranged diplomacy**. As Antichrist arises, he is going to be assured that the skids have been greased to his receiving all the collective power and authority in the world.

Thus, when the Illuminati changed their minds about conquering the world militarily, and decided to conquer diplomatically, they fulfilled Bible prophecy -- without being aware of this fact in any way, shape, or form. You must remember that, even though the forces of the Illuminati are going to be fierce and unrelenting to us humans, they are nothing before God Almighty. They cannot even conceive a plan that avoids fulfilling Bible prophecy. What does God say about all human scheming, even this End of the Age scheming for Antichrist?

"Why do the nations assemble with commotion [uproar and confusion of voices] and why do the people imagine (meditate upon and devise) an empty scheme? The kings of the earth take their places; the rulers take counsel together against the Lord and His Anointed One -- the Messiah, the Christ. They say, 'Let us break their bands of restraint asunder, and cast Their cords of control from us.' He Who sits in the heavens laughs; the Lord has them in derision [and in supreme contempt He mocks them]. He speaks to them in His deep anger (terrifies and confounds them) them in His displeasure and fury, saying, 'Yet have I anointed [installed and placed My King [firmly] on My holy hill of Zion.'" [Psalms 2:1-6; Parallel Bible, KJV/Amplified Bible Commentary]

God is firmly in control. Even though He is currently allowing the forces of Antichrist temporary success now as they scheme to stage Antichrist, and even though He will allow them smashing success in all their endeavors, He will only allow such smashing success for the 7 years of the Tribulation Period. At the end of this 2,520 days, Jesus Christ will return with His saints to totally annihilate all the remaining forces of Antichrist to set up His Millennial Reign.

"Even so, come [quickly], Lord Jesus". [Revelation 22:20]. These words of the Apostle John ring loudly in my ears, as they should in yours. Truly, the hour is very late, as this news story clearly illustrates.
