

The Ten King Covenant

(Excerpt from [Chapter 11](#) of [Hidden Manna for the End Times](#))

This seven year Dragon/Beast covenant with all nations will be both secular and religious. First let's look at the secular aspect, which is being designed now. This seven year covenant will unite the secular world, including natural Israel, in a seven headed, ten horned body as the World Constitution and Parliament Association (W.C.P.A.) has envisioned. Their aim is to replace the current U.N. constitution with the Constitution for the Federation of Earth (C.F.E.). Their Global Ratification and Elections Network (G.R.E.N.) is well organized in most of the nations of the world and are currently ratifying this constitution through both governments and N.G.O.'s. Ratification would cause the whole earth to be divided up into ten continental divisions; the ten horns or kings, in order to do away with national, ethnic, and religious boundaries for the sake of peace. Article 6, Section D, calls them "ten World Electoral and Administrative Magna Regions of the World." This was the Club of Rome's idea whose 1972 report, the Limits of Growth, was a blueprint to form the European Union. This was just an experiment in the process for this world beast kingdom. They also called these ten political and economic world magna-regions "kingdoms." There you have it, the ten kings of Revelation.

The Ten Kingdoms of the New World Government

Kingdom 1: Canada and the United States of America

Kingdom 2: European Union - Western Europe

Kingdom 3: Japan

Kingdom 4: Australia, New Zealand, South Africa, Israel and Pacific Islands

Kingdom 5: Eastern Europe

Kingdom 6: Latin America - Mexico, Central and South America

Kingdom 7: North Africa and the Middle East (*Moslems*)

Kingdom 8: Central Africa

Kingdom 9: South and Southeast Asia

Kingdom 10: Central Asia

This would unite the seed of all seven previous heads of the earth; hence a seven headed, ten horned, body for the corporate spirit of the beast from the abyss. This is not fantasy since all seven heads and ten horns are in the U.N. now! Whether the C.F.E. is the final fulfillment of the beast covenant or not, it is certainly laying foundation for the secular aspect of the "*covenant with many.*"

In this constitution the Presidium and the Executive Cabinet would be totally responsible to the people through the World Parliament (Article VI, Section E, 5). The World Executive Branch would be bound to faithfully execute all

legislation passed by the World Parliament (Article VI, Section F, 5). The constitution reads, “with ultimate sovereignty residing in all the people who live on earth” (Article II, 2). The World Executive Branch has no executive order or executive privilege or emergency declaration or decree (Article VI, Section F, 6). Having read this new constitution, I believe it to be the most honest representative form of Democracy the world has ever seen. If I didn’t know what I know I would think that this is what the world has been waiting for. This is important because this covenant does not permit any sovereign individual ruling over planet earth as those who see only the letter foresee. For example: Even though the President and the Executive Branch of the U.S. have more pull in the U.N. than any other nation, the U.N. is still a Representative form of government. The Presidium is made up of five members from five Continental Divisions (Article VI, Section C, 1 and 2). They envision one President for two Magna Regions but the Presidium will ultimately be made up of ten kings as Rev.17:12 says. Their decisions are collective and based on majority decisions. Their term is for one year not seven. Where in this world government is there room for the traditional man called the antichrist? This whole corporate man is the antichrist beast as the Word clearly shows. His very body is seven heads and ten horns with the nations beneath them.

It should be obvious by now that the prophecy of the ten kings will never be fulfilled by the E.U., which has exceeded twenty-five nations and is in total disarray at this writing. Also Germany was never a part of the empire but Egypt was and so nothing fits this erroneous theory. It is strange. I talk to knowledgeable Christians in the E.U. nations who laugh at the prophecy teachers in the U.S. who believe that the E.U. will rule the world. In 1997 the five permanent members of the UN Security Council, America, England, France, Russia, and China agreed to go to ten nations. In 2004 the G-4 nations, Germany, Japan, Brazil, and India supported each others bid for four more permanent members and then Egypt threw her hat into the ring. Now the G-4 is asking for six more permanent members. This idea of a small group of permanent member nations making decisions for the whole world is likely not to have the appeal that a truly democratic ten Magna Regions representing the whole planet does.

Many have told me that they do not see the seven year covenant in Revelation. It is very clearly there. “The Constitution for the Federation of Earth,” Article XVII, Section B, calls for implementing the “World Constitution” in “stages.” Section C, 1 says, “The first operative stage of World Government under this World Constitution shall be implemented when the World Constitution is ratified by a sufficient number of nations and/or people.” Revelation declares this staged seven year covenant of the many with the beast. The first stage of the beast is the Dragon. ***(Rev.12:3)... Behold, a great red dragon, having seven heads and ten horns, and upon his heads seven diadems.*** Notice that the diadems or crowns are on the seven heads. These seven heads are seven world ruling empires whose seed populate and rule the earth; Egypt, Assyria, Babylon, Medo-Persia, Greece, Rome, and Revived Rome, the head that was smitten and revived. This representative form of government is how the U.N. functions now. This first stage will last for 3½ years. ***(Rev.12:6) And the woman fled into the wilderness, where she hath a place prepared of God, that there they may nourish her a thousand two hundred and threescore days. (14) And there were given to the woman the two wings of the great eagle, that she might fly into the wilderness unto her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.***

Then in the middle of the tribulation the final stage is the fully implemented Beast government. ***(13:1) and he stood upon the sand of the sea. And I saw a beast coming up out of the sea, having ten horns, and seven heads, and on his horns ten diadems, and upon his heads names of blasphemy.*** Here we see that the crowns are upon the ten continental divisions. This is their plan to destroy national, religious and ethnic divisions in the earth for the sake of peace. Obviously you cannot redraw governmental boundaries without a majority of the world’s ratification and support, which this document acknowledges. This last stage will be for 3½ more years making a total of a seven year “covenant with many.” ***(13:5) there was given to him a mouth speaking great things and blasphemies; and there was given to him authority to continue forty and two months... (7) And it was given unto him to make war with the saints....*** Since it is clear from Revelation and Daniel that ten kings rule the world in this second stage, how could one President and nation exercise so much dominion. All we have to do is look around us to see that the U.N. is a representative form of world government now but the U.S. exercises the Lions share of the influence.
