

"After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth..." (Daniel 7:7, 9)

The angel of the Lord then interpreted this vision for Daniel, explaining that:

"The fourth beast (New World Order) shall be the fourth kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces." (Daniel 7:23)

"I had to reassure some members of Congress that they need not fear a UN takeover of the United States. Even if we did take control of America, I wasn't sure we could hold it."
February 8, 1997, the AP reported astonishing comments by Kofi Annan, the Secretary-General of the UN.

United Nations Vehicles On U.S. Soil!

These photos are of actual United Nations vehicles on the soil of America. These vehicles are coming into our ports -- namely Port Beaumont, Texas--at a staggering rate. Why?

Yellow school buses were being painted into United Nation's white buses. It's to take you to the detention camps, folks !!!

This image was just sent to us showing many school buses being painted from the normal yellow color, to a white color and the words "UN" in black are also being painted on the sides of them. This was taken at a Chevy/Oldsmobile car dealership in Lafayette, Georgia.

When asked why these buses were being painted white, they responded that they were contracted to paint these buses so that United Nation's troops could be transported in America.

UNITED NATIONS PEACEKEEPERS RAISE HELL What Will Happen When They Occupy America?

Pope John Paul II spoke before the United Nations General Assembly and proclaimed the global body, "The hope of the world." Former President George Bush declared, "It is those sacred principles enshrined in the UN Charter to which we must henceforth pledge our allegiance." President Bill Clinton, in a recent (1997) speech in San Francisco, lashed out at critics of the UN, asserting that the UN is needed to manage an interdependent world. His Secretary of State, Madeleine Albright, has applauded the United Nations, explaining that the New World Order is patterned after the UN organization.

Is the UN really the "hope of the world" or is it, instead, the scourge of humanity? Texe Marrs presents undeniable evidence that the UN is a premier organization of global evil. The elite who run the UN behind the scenes are using it to run roughshod over Third World nations. Evidence is brought that UN peacekeepers are tormenting and torturing unarmed captives, killing innocent civilians, even committing genocide.

Prophetically, the UN appears to be the worldly representative of Satan's beast, enabling the militarily powerful kingdom of the Antichrist to be built. A last days behemoth is swiftly being constructed atop mounds of human corpses. Revelation 13 reveals that the whole world wonders in admiration after the end-times beast and asks, "Who is like unto the beast? Who is able to make war with him?"

UN peacekeeping forces are often trained at U.S. army bases and installations on how to suppress local populations. They are armed with American weapons and are often paid salaries from U.S. taxpayers. As many as 100,000 UN troops may currently be stationed in the continental United States. Their black helicopters fly freely in our air space. If a future race war, rioting, or planned "terrorist" campaign erupts, will these undisciplined, ungodly soldiers be ordered to attack, arrest, and kill U.S. dissenters?

Will America Suffer Like These People Did?

Documented: Italian UN peacekeepers gang rape and torture a young girl. A pedophile, Italian UN officer sodomizes a juvenile boy, then strangles the victim to death; other victims are tortured by electrodes applied to their genitals.

■ **Documented:** Canadian UN peacekeepers beat, torture, and murder a Somali boy, then take "fun" photos of their vile act of murder.

"The American people will never knowingly adopt Socialism, but under the name Liberalism, they will adopt EVERY fragment of the Socialist program UNTIL America will one day be a Socialist nation without knowing HOW it happened."
