Hell's HAARP

High Active Auroral Research Project. That's the official name for the government/military controlled monster mechanism which is sitting in a remote section of the Alaskan wilderness. Since this top secret project was exposed a few years ago, the government has attempted to propagandize all reports concerning HAARP and cover up the real horrors this ultra-advanced apparatus is capable of. As much as possible, I will attempt to avoid a long, technical and boring explanation of how it all works and get to the nuts and bolts of the matter.

HAARP is capable of blasting a super-charged, high frequency radio wave into the earth's atmosphere. This controllable radio wave is so powerful and electromagnetically charged that it can actually lift the ionosphere while simultaneously heating it! The ionosphere is an electromagnetically charged shield that surrounds the earth's upper atmosphere. The ionosphere (ozone layer) protects the earth from deadly radiation and spikes emitted by the sun.

Even though there are several technologically advanced nations that have similar projects, the American "Big Blaster" in Alaska is the most powerful of them all. HAARP has been able to achieve such unprecedented high radio frequency blasts that all of its effects are not yet known. The government and military propaganda machine has neglected to tell the true story about HAARP. In their official reporting, they cite advanced HAARP communications capabilities for our military as a positive mechanism for national security. HAARP has the capability of being able to knock out all enemy communication systems with ultra-high frequency radio waves while simultaneously allowing our military to use these same destructive frequencies for its own communications.

Some of the other "advantages" cited by government reports is the ability to locate underground installations, tunnels, oil reserves and such. This is done by bouncing the ultra-high frequency, HARRP generated beam off of the ionosphere. The rebounding beam will penetrate deep into the earth and produce computer readable data, which can be interpreted to show precise locations of underground structures and so forth. These legitimate sounding reasons for such a "Star Wars" type of device may appear to be a good advantage for the U.S. in the event of war and to locate strategic oil and mineral deposits. However, the potential for vast, destruction through use or misuse of this "HAARP from HELL" have been down-played, to say the least.

Some of these HARRP abilities were made possible by Bernard J. Eastlund, a Texas physicist who developed a method (U.S. patent # 4686605, "Method and Apparatus for Altering a Region in the Earth's Atmosphere, Ionosphere and/or Magnetosphere") This method allows the HARRP transmitters to concentrate the powerful radio frequencies into a beam. This beam is so accurate and powerful that it can deliver a million times more energy into a precise spot in the ionosphere than any other known ionospheric manipulator! Many scientists predict that such a concentration of electromagnetic energy blasted into the ionosphere will actually split the protective layer and tear huge gaping holes in it. This could cause cataclysmic global disasters and disrupt the geophysical balance of the entire planet!

Eastlund's once secret patent also reveals some other "science fiction" type of capabilities. For example, the supercharged beam can deliver electrical power without the use of electrical transmission wires! What? Yes, this technology, combined with other patents that make up the HARRP project, can actually deliver electrical power via a "wireless system"! If this isn't bizarre enough, just hold on a minute. The Eastlund patent also explains how HARRP can be used for "weather modification". Yes indeed, HARRP is so powerful that it can alter atmospheric wind patterns and modify the atmosphere's molecular structure!

Scientists have reported that the super-powerful beams blasted into the ionosphere produce more geophysical manipulation power than an atmospheric thermo-nuclear explosion! Not only that, it has been revealed by many independent experts and scientists that the electromagnetic frequencies which are bounced off the ionosphere by HAARP to penetrate the earth (for locating underground structures and oil and mineral reserves) are within the frequency range that causes severe human and animal brain dysfunctions! In fact, recently uncovered military documents show precisely how specific areas or regions can be targeted by HAARP for the purpose of disabling the human mental functions to a degree that they would be unable to participate in combat or even to defend themselves! Some believe these adverse effects on human behavior would eventually wear off, while many believe the mental (brain) damage would be permanent and irreversible.

With most of America's advanced technology being stolen or purchased by other countries (especially dictator controlled nations), is it possible that we are already seeing the beginning phases of "weather wars" and mind disruption techniques at work? This may sound crazy, but many people believe that the bazaar and deadly weather systems of recent years, the increased number of earthquakes, the global disappearances of frogs, salamanders and other species, the vastly increased cases of mental disorders and incurable diseases are not the random acts of nature, but rather the acts of man's deliberate manipulation of the geophysical forces that impact nature and all life forms on the planet.

Can HAARP and similar high-tech RF (radio frequency) generators really cause these sorts of calamities? There's virtually no doubt about it! In fact, the U.S. Air Force documents (within government reports) that HAARP's potentials for military and quasi-military operations include: controlling terrorist groups, crowd control, controlling breaches of security at military installations and anti-personnel techniques in tactical warfare. They report that the HAARP system can also cover large geographical areas with a

singular, steerable, reflected, electromagnetic blast. No countermeasures are known to exist. These same techniques will allow HAARP to penetrate many kilometers into the earth to locate underground munitions, tunnels and minerals. Note: these earth penetrating beams also penetrate all living creatures in it's path and causes human mental disruptions. These same electromagnetically energized blasts are projected to have a profound effect on the migration patterns of fish and wild animals. HAARP can modify weather patterns over entire hemispheres. Additionally, the Air Force reports another very interesting potential for the electromagnetic radiation in that it (HARRP) is expected to have enhancing abilities of individuals for "anomalous phenomena" (mind control)!

These and other research reports make it undeniably clear that today's HARRP-type technologies either have already, or eventually will, initiate weather manipulation, climate modification, polar ice-cap melting, ozone depletion, earthquake engineering, ocean wave control and brain wave interference through deliberate undertakings that alter and distort our planet's delicate electromagnetic energy fields!

How can our government and it's HAARP "experts" know for sure that these above-mentioned phenomenon can and will occur without the benefit of actual experimentation? There exists some government/military documentation that indicates that attempts at weather modification were conducted as far back as the Vietnam War! A Russian scientist recently boasted of it's nation's advanced abilities to produce electromagnetic force fields for the purpose of mind control and weather modification! Who are they experimenting on?

It certainly appears that mankind (for whatever reason) is destined to destroy itself in an impossible attempt to control the world! "And, except those days be shortened, there should no flesh be saved" (Matthew 24: 22)

"AND POWER WAS GIVEN TO HIM"

by

Mac Dominick

In the waning hours of the brisk autumn night, a vast company of ragged, wretched humanity groped its way through the oppressive darkness to a hillside just east of what just recently was Chattanooga, Tennessee. They did not gather to celebrate a festive occasion or to observe a religious ritual. Rather, they came desperately longing, praying, and hoping that the promises of the Great Man would shortly come to pass. They prayed that the sun would soon cast its light upon the darkened landscape, and awaken them from the nightmare that filled their lives with terrifying horror. The nightmare began a mere ten days earlier. Ten days and an eternity ago, their lives were filled with the daily routine of working, playing, caring, loving, and living in the manner they pleased. That completely changed when without warning, at 11AM EDT on that fateful Sunday morning, the unthinkable happened. Suddenly, in the twinkling of an eye, millions of people (including every young child and infant on the face of the earth) simply vanished into thin air. The chaos, panic, and horror of that moment was exponentially multiplied in a few short hours by massive earthquakes, volcanoes, and tidal waves worldwide. For the survivors of the chaos, life as they knew it was over. Dust and volcanic ash permeated the earth's atmosphere to the point that light from the sun's rays was totally obscured from the surface of the planet. This condition dictated that all life on Earth would soon perish.

However, at the bleakest hour when all hope seemed lost, the image of the Great Man appeared against the blackened sky for all on the earth to see. This image appeared as a hologram projecting the imposing figure of a devastatingly handsome man mounted on a magnificent white stallion. He did not speak audibly, but communicated telepathically with every individual on Earth. He explained that the planet had entered her "cleansing cycle" to purge an "undesirable element" that prevented the dawning of the "Golden Age". He further comforted the parents of the vanished children, assuring them that friendly extraterrestrials had rescued the children from this present terror and would return them safely after a brief period of intensive training. Finally, he announced

that he alone possessed the power to control the functions of earth and sky. He decreed an end to the chaos and a miraculous clearing of the atmospheric veil by sunrise.

The desperate survivors all across the planet made their way to vantagepoints to witness the fulfillment of his words. As the day began to dawn, a single ray of sunlight penetrated the darkness—then another, and another, until the eastern sky was ignited in a dazzling display of brilliance. The crescendo of cheers and rejoicing that raced like wildfire from east to west soon became a sobering silence of reverence and awe. The image of the Great Man reappeared, this time against the background of an azure blue sky. Who but the long-awaited Messiah could possess such power over nature? Who had the power to dispute his claims or to challenge him with war? Who was more qualified to rule all of mankind in the "Golden Age" of peace? One by one, the vast majority of the world's population fell to the ground in worship of the rider of the white horse.

Though portions of this scenario may be somewhat speculative, those who understand Bible Prophecy cannot dispute the end result. The Word of God teaches that this present age will climax with the seven-year period known as the Tribulation. The Tribulation will begin after the Church (all of those who have accepted by faith the blood sacrifice of Jesus Christ for the forgiveness of their sins) is caught away to heaven "in the twinkling of an eye" (I Thes.4:16-17, I Cor.15: 52). There will then arise a world ruler whom the Bible calls Antichrist or the Beast (I John 2:18, Rev. 13:1-10). This leader of the New World Order will be worshipped by all on the earth whose names are not written in the Lamb's Book of Life (Rev. 13:8). He will appear as the great peacemaker, and will rule the entire world in the name of peace. However, this peace will be a false and temporary peace for the short span of 3½ years. During this 3½-year period, Israel will accept Antichrist as their long-awaited Messiah, the Jewish Temple will be rebuilt, and the Levitical sacrificial systems reinstated. He will also be accepted by all other religions as the prophesied Holy One (Quetzalcoatl, Imam Madi, Maitreya, Soshyant, Hiram Abiff, Krishna, et.al.) establishing a new One World Religion. The book of Revelation describes him in this manner:

□ "And they worshipped the dragon which gave power to the beast...And there was given unto him a mouth speaking great things and blasphemies; and power was given to him to continue forty and two months...and power was given to him to make war with the saints and to prevail against them; and power was given to him over all kindreds, and tongues, and nations." (1)

The book of Daniel gives further enlightenment by declaring: "And he shall speak great words against the Most High, and shall wear out the saints of the Most High, and think to change times and laws; and they shall be given into his hand until a time, times, and a dividing of time." (2)

These passages reveal several noteworthy facts:

1.
 - 1.
 - 2.
 - 3.
 4. Antichrist will not only desire to control all of humanity, but also the forces of nature. This is clearly seen by his desire to seek to change times (seasons) and laws (decrees).
 5. He will be given the power from an external source to accomplish these desires for a period of time (time [1], + times [2] + a dividing of time [$\frac{1}{2}$] = 3½ years).
 6. He will receive the necessary power to accomplish these goals from the dragon, i.e. Satan (and they worshipped the dragon who gave power unto the beast).

With the restraining power of the indwelling Holy Spirit taken from the earth by the Rapture of the Church, the New World Order will be a regime of unimaginable evil under the guise of a deceptive peace. The Lord Jesus Christ declared that this time would be "as the days of Noah were" (Mat. 24:37). Without going into a major discourse researching the "Days of Noah", there is certainly no doubt that evil held such a grip on the inhabitants of Planet Earth that God's only recourse was to destroy the entire world by water. This same evil control will once again seize mankind, and will once again culminate in the outpouring of the wrath of God. This prophetic scenario raises questions in the minds of those who would gain a clear understanding of God's future plan for mankind.

- 1.
2. What would cause the average secular individual from the current materialistic society to worship Antichrist?
3. Since the Bible teaches (without question) the omnipotence of God, how could Satan and his servants acquire such awesome power?
4. Is there presently any evidence of technologies or trends to support the immanence of these events?

WHY WORSHIP ANTICHRIST

Visualize the most secular individual imaginable. This may be the guy at work who lives for nothing more than women, drinking beer, and watching the NFL. What would persuade this individual to fall on his face and worship a world ruler? When this individual is considered, suddenly the scenario presented in the introduction to this article does not seem so far-fetched. Other ingredients could also be added to the chain of events as described. Consider the horror evidenced by humanity in the film, "Independence Day". Add the mass disappearances of individuals, radical weather and earth changes as a precursor to alien invasion, and a miraculous destruction of the aliens by a single man with super-human power. Would this cause the most secular

individual to forsake his vices and worship the Great Man? Absolutely. The benevolent priest-king and savior of the planet would command the worship of all but those not deceived by his satanic power.

GOD'S OMNIPOTENCE CIRCUMVENTED

The omnipotence of God is one of the most foundational teachings of Scripture. God establishes His power from the beginning pages of Genesis. The very fact that God created the heavens and the earth echoes His sovereignty over all of creation. He declared to Abram in Genesis 17:1, "I am the ALMIGHTY GOD..." God also declared to Job His control over all of His creation:

"By what way is the light parted, which scattereth the east wind upon the earth? Who hath divided a watercourse for the overflowing of waters, or a way for the lightning or thunder: to cause it to rain on the earth where no man is...Hath the rain a father, or who hath begotten the drops of dew ...Canst thou lift thy voice to the clouds, that the abundance of water may cover thee?... Canst thou send lightnings... who can stay the bottles of Heaven...?" (3)

In this conversation, God taught Job of His omnipotence. Yet, in a direct paradox concerning these very issues, Daniel (as illustrated earlier) reveals that Antichrist will not only seek to control the powers of nature, but that they will be given into his hand for 3½ years. How can this be true? Is God not sovereign over all? The answers to these questions are well defined in the same book of the Bible, Job. The Book of Job opens with the account of Satan coming before God to accuse the righteous of the earth (this in itself is a very revealing study). God relates to Satan that Job lived above reproach, and Satan could find no accusation to be made of Job. Satan retorted that Job only lived above reproach because of the many blessings he received from God. God then gave Satan permission to test Job's faithfulness with the following statement:

"...Behold, all that he hath is in thy power..." (4)

Did Satan circumvent God's omnipotence by attacking Job? Absolutely not. God retained all of His omnipotence as well as His sovereignty in allowing Satan to test Job. It is also this ascribing or assigning of power to Satan witnessed in future prophetic scenarios. God will grant to Satan such power as He wills to accomplish His purposes in accordance with His divine sovereignty. Satan then will issue this power to Antichrist and the remaining evil cast of the end-time drama.

As a note of warning, great care must be exercised to ALWAYS CONSIDER THE CONTEXT when interpreting prophetic passages. For example, when interpreted in the context of other Scripture, the infamous "Four Horsemen of the Apocalypse" revealed with the opening of the first four seals of Revelation 6, receive the power to work their evil deeds from Satan. These events, as will be later discussed, may well come from technological manipulation of "the forces of nature" by satanic influence. However, one must remember this power will only be given to Antichrist for 3½ years. The second 3½ years ("Great Tribulation"), will witness the loss of this power by Antichrist ("...they shall be given into his hands for a time, times, and a dividing of time." (Dan. 7:25). The sixth seal and the seventh seal (The "Trumpet Judgements") of the "Great Tribulation" will be supernatural judgements directly from God, and WILL NOT be based on the deceptive manipulation of natural forces by Satan and his minions. The sixth seal is of particular interest:

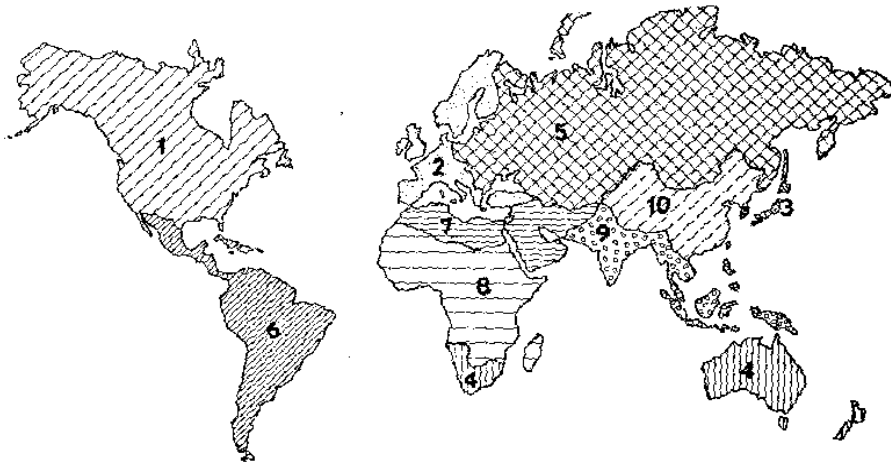

" And I beheld when he had opened the sixth seal, and lo, there was a great earthquake; and the sun became black as the sackcloth of hair, and the moon became as blood; and the stars fell unto the earth...and the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. And the kings of the earth, and the great men, and the rich men,...and every bondman hid themselves in in... the rocks of the mountains; and said to the mountains and rocks, 'Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: FOR THE GREAT DAY OF HIS WRATH IS COME: and who shall be able to stand?'" (5)

How awesome this display of power must be! Consider that these men who are frightened out of their wits are those who SURVIVED THE CARNAGE OF THE SECOND, THIRD, AND FOURTH SEALS. One would imagine that all men would be oblivious to natural destruction, death, and disaster by this time. What will make this so different? This display of power will so awesome, so extreme, and so terrifying that none will deny that this is the wrath of ALMIGHTY GOD.

EVIDENCES FOR IMMINENT JUDGEMENT

Simply stated, preparation for Antichrist (noted previously as the Great Man) is certainly underway. Since the rebirth of Israel in 1948, humanity has witnessed the subtle, piece-by-piece laying of the groundwork that will produce the prophesied one-world system from the ashes of the Roman Empire. Richard Gardner admitted this in 1974 when he wrote in the CFR journal, Foreign Affairs:

"In short, the 'house of world order' will have to be built from the bottom up rather than from the top down...an end run around national sovereignty, eroding it piece by piece, will accomplish much more than the old-fashioned frontal assault..." (6)

This is further evidenced by the penchant of the global elite to follow Bible prophecy to the letter (unquestionably, they do not intentionally use the Bible as their guide, but ignorantly follow the exact sequence seen by God as He views apart from the time domain). For example, the book of Daniel predicts that a 10 Kingdom confederacy will rule the entire world during the Tribulation period. This confederacy will be under the ultimate rule of Antichrist. The Club of Rome in its September 17, 1973, report, Regionalized and Adaptive Model of the Global World System presented a model of this very system. The Club of Rome is an organization composed of scientists, industrialists, and international government officials who plan world government strategy and send reports to the wealthy "power elite" for implementation. (Information regarding the Club of Rome can be easily accessed at their website, www.clubofrome.org). This particular report, which reads as if it were taken directly from the writings of Daniel, establishes a plan of world government based on dividing the entire world into 10 "Kingdoms" controlled by a world dictator (see map below). (7)

In concert with this plan, there also exists in the world today a secret society guarding the descendants of a "royal bloodline". This bloodline is erroneously traced to ancient Israel's King David —thus seemingly establishing an heir to reign over the earth from the Throne of David in Jerusalem. Many of those involved in the plans of the Club of Rome and other globalist groups seek to establish a priest-king from this "holy bloodline" as the leader of their world system. Based on this premise, several powerful men proclaim themselves as heir to the title, "King of Jerusalem". This is the perfect counterfeit strategy of Satan to deceive Israel into accepting Antichrist as their long-awaited Messiah.

Within all of these developments (there are too many others to list them all at this juncture), there exist undercurrents of a transfer of power to satanic control as the knowledge of mankind increases. For example, the technology required for implementation of the "Mark of the Beast" did not exist in 1948. However, in 1998, not only does the technology exist, but also the globalist elite are even encouraging the implanting of microchips in children which would facilitate the functions of "the mark" as described in the book of Revelation. (8) The technology for weather control and weather weaponry has been developed in government programs like the HAARP Project (see "A Terrifying Look at the Control of Weather Warfare—a Look at HAARP" by clicking the "Weather Control" button here at The Cutting Edge). (9) Telecommunication advances now make instantaneous worldwide satellite transmissions an every day occurrence. The development of these technologies, the desire for a one-world government, the building of a one-world church, and the events in Israel and the Middle East are more than convincing that the end of the age is nigh. The stage is set, the actors are brushing up on their lines, and the curtain is about to rise to reveal the climax to the drama of the last 2000 years.

The curtain rises at the beginning of Revelation 6. A close scrutiny of this chapter reveals that the opening of the first four seals extend power to Satan to implement his deceptive program. The fourth seal may very well indicate that power will be given through Satan for the Antichrist to eliminate much of the earth's population. The demonic spirit guides are already revealing that 2 BILLION must be exterminated:

□ □ "John Randolph Price, the primary moving force behind the 'World Instant of Cooperation,' was told by his favorite spirit guide, 'Asher,' that 'Nature will soon enter her cleansing cycle....' These individuals [the two billion human beings who do not have the 'ring of protection' around them] with their lower vibratory rates will be removed during the next two decades.... John Randolph Price was initially aghast at the information and challenged his spirit guide about it. 'What I am hearing is both horrible and hopeful,' he said. 'I know that one of the most serious problems we have today is overpopulation, but wiping more than 2 billion people off the face of the earth is a little drastic, don't you think?' Asher replied, '... who are we to say that those people did not

volunteer to be a part of the destruction and regeneration—for the purpose of soul growth? Never forget that each individual has free will and free choice.” (10)

John Randolph Price is not the only one espousing this line, and the fact that this information has been published will certainly advance the deceptive nature of Satan’s plan at some point in the future. Furthermore, not only do the demonic spirits espouse this doctrine, but also world planners INSIST that "sustainable development" can only be achieved if the world’s population is drastically reduced. As a matter of fact, the "Global Biodiversity Assessment (GBA) authored at the 1992 "Earth Summit", suggests for the following adjustments to global population:

□ □ "... radical population control according to the GBA. The section of the document covering the ‘growth in human population and natural resource consumption’ suggests three possible population models for a ‘sustainable’ global society.

1. An agricultural society – ‘in which most human beings are peasants ... should be able to support 5 to 7 billion people...’
2. An industrialized world society – ‘at the North American standard of living ... would be 1 billion.’
3. Semi-industrialized society - As the more frugal European standard of living, 2 to 3 billion would be possible.” (11)

A close study of the Seven Seals reveals that Antichrist will conquer in the name of and by peace. Daniel helps with this interpretation by recording; "...by peace he shall destroy many." (Dan. 8:25). However, his reign of peace will end with the opening of the second seal. The opening of the second seal will be close to the 3½-year mark of the Tribulation. The details of the war that occurs with the opening of this seal are revealed in the description of Russia’s attack on Israel in Ezekiel 38-39. The opening of the fourth seal is of great interest in light of this discussion. Here is illustrated the release of the power of Satan to kill ¼ of the earth’s population with war, hunger, death, and attacks of beasts. All of these are possible to achieve with manipulation of the ionosphere. The HAARP Project can create explosions, cause drought, famine, floods, earthquakes, and incite the attacks of animals by the pulsing of Extra Low Frequencies (ELF). (12) The Discovery Channel confirmed this August 29th of this year. In a special program entitled "Shoot Not to Kill", ELF weapon technology’s effect on the psyche was revealed. (13) With this technology secretly controlled by the global elite, a power structure beyond imagination is under implementation. This transfer of power to satanic control could secretly give Antichrist the technology to achieve the exact scenario as listed in the book of Revelation.

BACK TO CHATTANOOGA

The desperate crowd on the hillside has been tragically deceived. They have fallen for THE LIE foretold in II Thessalonians 2:11-12. While they face the new day with renewed hope, all of those who fell to worship the Great Man will die within 7 years—the young and old alike—all who worship Antichrist will perish. The Great Man himself will be cast alive into the Lake of Fire, and his "Golden Age" will disintegrate in a few short years. God is in control and His righteous judgement will be exercised. With the demise of the New World Order and defeat of Antichrist, the Lord Jesus will establish His promised Kingdom on the earth. Those saints raptured prior to the Tribulation will return with Jesus and reign as priests and kings with Him for 1000 years (Rev. 20:6).

EPILOGUE

God put all that Job had in subjection to the power of Satan. Satan meant to use that power to destroy Job. But God, in His complete sovereignty, used the tragic occurrences in Job’s life to conform him even more to His perfect will. By the same token, God will convey to Satan all the power he needs for the ultimate deception at the end of this present age in order to facilitate His righteous judgement. The process of the transferring of that power is currently seen by the advances of technology now in the hands of those who would usher in the New World Order. The pieces are now coming into alignment, and the puzzle is almost complete. Are you prepared to face the growing deception? Do you know Christ as your savior? Is your family secure in the bond of Jesus Christ? The time is short. Please make your heart ready today.

Are you spiritually ready? Is your family? Are you adequately protecting your loved ones? This is the reason for this ministry, to enable you to first understand the peril facing you, and then help you develop strategies to warn and protect your loved ones. Once you have been thoroughly trained, you can also use your knowledge as a means to open the door of discussion with an unsaved person. I have been able to use it many times, and have seen people come to Jesus Christ as a result. These perilous times are also a time when we can reach many souls for Jesus Christ, making an eternal difference.

If you have accepted Jesus Christ as your personal Savior, but have been very lukewarm in your spiritual walk with Him, you need to immediately ask Him for forgiveness and for renewal. He will instantly forgive you, and fill your heart with the joy of the Holy Spirit. Then, you need to begin a daily walk of prayer and personal Bible Study.

If you have never accepted Jesus Christ as Savior, but have come to realize His reality and the approaching End of the Age, and want to accept His FREE Gift of Eternal Life, you can also do so now, in the privacy of your home. Once you accept Him as Savior, you are spiritually Born Again, and are as assured of Heaven as if you were already there. Then, you can rest assured that the Kingdom of Antichrist will not touch you spiritually.

If you would like to become Born Again, turn to our **Salvation Page** now.

We hope you have been blessed by this ministry, which seeks to educate and warn people, so that they can see the coming New World Order -- Kingdom of Antichrist -- in their **daily news**.
